DECLARATION

I hereby declare that I have been informed by the Faculty Office that the details of my final examination (i.e. the date, time, room and the composition of the examination board) will be placed on my ISAPS account, and that I undertake to place my dissertation (.docx format) along with its abstract in the Student Information System (ISAPS; bookmark: **Egzamin dyplomowy / Final Examination**).

I am aware, moreover, that failure to turn up for the final examination is tantamount to receiving a fail result.
